

KEDIA ACADEMY

Dear Sir/Madam,

We are pleased to introduce a value-driven opportunity for your students to enhance their knowledge of securities and capital market infrastructure through our Depository Executive Course. This program offers a solid foundation in depository operations, settlement processes, compliance, investor servicing, and regulatory frameworks, key skills for aspiring professionals in depository and back-office operations.

Course Details

Course Title: Depository Executive

Total Duration: 30 Hours

Structure: Engaging sessions, practical learning, interactive discussions & Q&A

Final Certification: NISM Certification

Course Objectives

The Depository Executive Course aims to equip individuals with the knowledge and practical skills needed for depository and back-office roles in the capital market. It covers key areas like NSDL/CDSL systems, account opening, settlements, corporate actions, compliance, and investor servicing. By course end, participants will be ready for roles in depository operations, custodial services, and related financial functions.

Services Offered

TRAINING

Kedia Academy's Depository Executive Course offers expert-led sessions, hands-on simulations, and real-world case studies to build strong skills in depository operations, settlement cycles, and investor servicing.

MONITORING

Participants receive continuous mentorship from industry experts, along with practical assignments and performance feedback to prepare for roles in back-office operations, compliance, and depository functions.

NURTURING

We nurture learners through a supportive environment that sharpens regulatory knowledge, communication skills, and operational accuracy, key for success in the capital market ecosystem.

GUIDING

Our structured guidance helps learners understand depository systems (NSDL/CDSL), reconciliation processes, and investor grievance mechanisms, instilling professional integrity and industry readiness.

DEVELOPING

The course develops job-ready professionals by combining theoretical learning with real-time insights, preparing them for impactful roles in DPs, custodians, and clearing corporations.

DEPOSITORY EXECUTIVE
